

## Racquet Sports Playing Guidelines

### **BEFORE PLAYING**

- As a courtesy to the attendants and others, Please WEAR A MASK during the sign in process. PRINT your full name on the sheet. Identify what sport you are playing, what court if known, and membership status. Pickleball & Platform members may have one person sign in for their group.
- We have set up sanitized pens for each membership to use upon signing in. Please place in "USED Pen" container after use and they will be sanitized nightly.

### **When PLAYING**

- Use YOUR OWN SET OF BALLS when serving. Mark them with your initials.
- Try to stay at least six feet apart from other players. Do not make physical contact with them (such as shaking hands or a high five).
- Avoid touching your face after handling a ball, racquet or other equipment. Wash your hands promptly if you have touched your eyes, nose or mouth.
- Use your racquet/foot to pick up balls and hit them to your opponent. Avoid using your hands to pick up the balls.
- Stay on your side of the court. Avoid changing ends of the court.
- Remain apart from other players when taking a break.
- If a ball from another court comes to you, send it back with a kick or with your racquet.

### **AFTER PLAYING**

- Leave the court as soon as reasonably possible.
- Wash your hands thoroughly or use a hand sanitizer after coming off the court.
- All players should leave the facility immediately after play.

***Let us help each other stay safe during this time and get through this together!***
