Approval of Minutes

Motion to approve made by Jenny Cropper-RInes, second by Josette Wheatley

Residents Academy

Julie Malinowski has announced the Virtual Academy is Live and available for all to learn about our community. The information has been broken down into specific categories and is easily attainable. There was input done from many, including residents and Department heads in making these videos. On the site, they also added a feature to add information by the community.

This was very much a successful adventure. Great job done by all and thank you to all involved for their efforts.

History Section

Marlene Ott has graciously accepted to spear the section. Jenny has requested to be the moderator for the creation of these videos, sharing the history of Ocean Pines. Jenny will also assist to re-create the original history panel town hall. Josh Davis is excited to also assist with the Video creation.

Miss Colette will have a discussion with the General Manager/Board to receive their blessings to move this to the next level. We will follow up at the next meeting.

Master Calendar Update

Jennifer Cropper-Rines has a skeleton of this process together. She will follow up at next meeting with progress.

Electronic Signage

- Jennifer Keener has given us the go and the verbiage has been added in the Worcester County Law for allowing Ocean Pines to have up to 8 Electronic Signs.
- The ball is now in Ocean Pines hands per Miss Colette and it will be discussed presented to the board for further discussions. This is first step to this process.

New Members

Marlene Ott
Elaine Brady

Town Hall

The town hall that was scheduled has been tabled by the board. Discussion about another Town Hall needs to be discussed with Board.

Resolution C-06

A review of this document was made to better understand our task to assist the board with issues within our community and will be continued at our next meeting.
