Section II Summary of Major Activities during Reporting Period

A survey of vehicle and trailer activity at the Whitehorse Park Boat Ramp was completed and a report forwarded to the BOD. There was disagreement regarding the design of the survey and validity of the findings, but the dissenting opinion was overruled.

Section III – Problems Encountered and Assistance Required

We had a period without a BOD liaison, but that problem has been resolved. No assistance is requested.

Section IV. Request for Items to be to be included in the next OPA budget.

None.

Section V. Recommendations for board action.

None.

Section VI. Recommendations for committee work in 2018-2019

We have had repeated and sometimes detailed discussions regarding canal depths. The committee has considered conducting informal depth

surveys that may help Public Works refine any dredging plan they may develop. Prior to engaging in any survey work, the committee will consult with Public Works to determine needs and how we may best help them.
