**JOIN THE FUN!  
MAKE A DIFFERENCE**

For the fourth consecutive year, the **Ocean Pines Pickleball Club Round Robin** will join several other events taking place for the Pink Ribbon Classic at the Beach to benefit the American Cancer Society to help fight breast cancer.

The Pink Ribbon Classic Series was started in 1996 by a group of local volunteers. Since its inception, the series has raised about \$3.6 million for breast cancer research, awareness, programs and services.

One of the most important services available in this area is the Road to Recovery Program which connects local drivers with patients to transport them to and from treatment. There is also the Hope Lodge, which provides lodging during treatment. Cancer Survivors Network available at [www.cancer.org](http://www.cancer.org), and 24-hour-a-day information center, at 1-800-227-2345 for patients to access ACS services. In addition, resources for caregivers, information on screening and prevention, and referral to local, regional and national services is available.

The ACS is currently funding 168 grants related to breast cancer totaling more than \$68.9 million.

Since 1989 breast cancer deaths are down 40% in the U.S. meaning 375,900 lives saved.

To learn more about the American Cancer Society, visit [www.cancer.org](http://www.cancer.org) or call 1-800-227-2345. Information specialists are available to assist you 24 hours a day, 7 days a week, 52 weeks a year.
