

Dear Group or Organization Leader,

Each market day our goal is to create a vibrant community gathering place and to provide a market that builds, nourishes, and inspires community. As a part of our mission, the Ocean Pines Farmers & Artisans Market is dedicated to supporting and promoting local nonprofits, civic organizations, and community groups. That's why we created our Community Corner Tent.

The Community Corner Tent is a free market space offered to groups like yours for the purpose of raising awareness of your organization. It is a great location to occasionally showcase your group and its mission.

Many organizations during the previous years have used the Community Corner Tent at the Ocean Pines Farmers & Artisans Market with great success to raise funds, enroll new members, or create awareness of an upcoming event. With the Market's patron attendance reaching into the thousands each year, this is a wonderful way to meet and greet the citizens of Worcester County's many communities and beyond.

I would like to invite your organization to participate at our Community Corner Tent. I have enclosed our guidelines and application. Dates are reserved with a completed application on a first-received basis. Please call me directly if you should have any questions.

Sincerely,

David Bean
