Dear Mr. Wells,

Thank you for the opportunity to provide a quote to repair one (1) wall on a platform tennis court that was damaged by a windstorm. We are pleased to present the following proposal:

Scope of Work

Total Platform Tennis will furnish all materials and labor required for the following:

- Remove the damaged components and remove them from the jobsite.
- Replace the following components:
 - o Two (2) 12' powder-coated aluminum "corner" uprights.
 - o Ten (10) 12' powder-coated aluminum uprights.
 - o Three (3) 20' powder-coated aluminum light poles. Total Platform Tennis will attach the existing lights to the new light poles and will run the wires down the light poles leaving a 2' tail out of the bottom of the poles. Final connection of the wires in the light poles to the power source is the responsibility of others.
 - o Four (4) 30' powder-coated aluminum tension beams.
 - Four (4) 6' x 12' hexmesh wire screen sections.
 - o Two (2) corner strips.
 - o Fifteen (15) tension rod assemblies.
- Reattach the wall to the surface.
- Install three (3) 15' powder-coated aluminum outrigger braces to provide additional strength to the wall. Outriggers will be reattached to footers.

Freight and Travel Costs

- Pricing includes all freight costs of delivering materials to the jobsite.
- Pricing includes all travel costs of construction crew.

OCEAN PINES ASSOCIATION, INC. PROPOSED MOTION

MOTION: To approve the contract for legal services from the law firm of Ayres, Jenkins, Gordy and Almand.				
PURPOSE AND EFFECT: To approve the terms and conditions in the contract presented with the noted law firm for legal services required by the Ocean Pines Association.				
BACKGROUND: OPA has approved the use of the law firm of Ayers, Jenkins, Gordy and Almand as the Association's legal counsel. The specific terms and conditions of the contract have been submitted by the law firm and reviewed by the Board of Directors.

OCEAN PINES ASSOCIATION, INC. PROPOSED MOTION

DATE: May 1, 2023

TOPIC: Enforcement of Open Violations In Legal FOR INCLUSION IN MEETING HELD ON: May 20, 2023

SUBMITTED BY: Colette Horn

SECOND BY:

MOTION:

To declare the existence of the open violations on properties included on the attached list, thereby suspending the voting rights and use of Association amenities for as long as the violations continue to remain open.

PURPOSE AND EFFECT:

ARC and CPI believe approving this request will shorten the timeline to compliance, save the Association money and provide a better forum for property owners to work out their problem as opposed to the Worcester County Court System. This action does not mean that property owners who fail to comply during this period may not be forwarded to the attorney if it remains necessary to force compliance.

BACKGROUND:

As of the date these violations were forwarded to the attorney prior to the October 1, 2022 effective date of HB 615. The previous process to persuade residents to comply with open violations on their property was to send two notice after which the case is referred to the General Manager for further action, which means the case is sent to legal counsel provided the property owner has not complied prior to that. This has proven to be inefficient and costly to the Association. The change from previous legal counsel and lack of attention to diligently pursue cases by current legal counsel was a contributing factor.

- All the attached violations have been inspected to verify their status. All violations have been reviewed as of the date of this request and all remain open.
- All but two of the attached violations represent the cases forwarded to the attorney in 2022.
- ARC has previously brought to the Board's attention the need to use interim enforcement tools currently at their disposal to help reduce legal costs and to try to prevent property owners from having to become involved with the County Courts. The Board has responded positively by imposing restrictions on numerous properties.
- The authority to grant this request is found in the Declaration of Restrictions, The OPA Articles of Amendment and Restatement, dated September 12, 2013 and the Bylaws.

ARC and CPI intend make use of this process to bring more cases like this to the Board for action. Future action will conform to the requirements of HB 615.

OCEAN PINES ASSOCIATION, INC. PROPOSED MOTION

DATE: May 9, 2023

TOPIC: Establishment of a System of Fines for Continuing ARC Violations

FOR INCLUSION IN MEETING HELD ON: May 20, 2023

SUBMITTED BY: Colette Horn

SECOND BY:

MOTION:

To establish a system of for fining property owners in continuing ARC violation in the sections of Ocean Pines that grant the Board the authority to take this action.

PURPOSE AND EFFECT:

To use the authority granted the board in the governing documents to issue a fine penalizing property owners in continuing violation of ARC guidelines in the sections of Ocean Pines for which that authority is included in the Declarations of Restriction. The sections that contain this authorization are: Section 12 – Innerlinks 10/24/95; Section 15B – White Tail Sanctuary 10/19/95; Section 17 – The Point 12/12/00; Section 18C – Mumford's Townhouses 4/16/96; Section 18E - Colonial Village North 7/9/99; Section 18F – Marina Village Condominiums 10/27/95; Section 18G – Marina Village Townhouses 12/24/95; Section 18S – Mumford's Landing Single Family 4/16/96; Section 19 – Harbor Village 8/30/96; Section 20- Triple Crown Estates 8/12/22.

BACKGROUND:

The ARC has been proactive in asking the Board to use the interim enforcement tools that have been available to them to help with minimizing the time between the notice of, and compliance with, outstanding violations. The Board has been open to acknowledging the existence of outstanding violations and authorizing the suspension of right to vote in Association elections and the use of and membership in Association amenities for the time a violation remains open.

The ARC believes the profile of the residents of Ocean Pines has been changing for some time from that of part-time residency using their property on weekends and for vacation to that of full-time residency for all ages using their property as a primary residence. Some with school age children, many with full time jobs in the area and those who have found a location to enjoy retirement. This has resulted in elevating the status of outstanding violations from a minor inconvenience to a major annoyance.

MOTION: To amend the current R Recount procedures	esolution M-06, Elections and Refer	endums Voting Procedures –		
PURPOSE AND EFFECT: The proposed revision would amend recount procedures under Section 5.03. Elections specifically addressing recount procedures.				
BACKGROUND: These revisions are proposed by the Election Committee after reviewing M-06. The Board of Directors shall resolve any request for a recount of the votes. The Chairperson of the Elections Committee shall resolve any final tie vote necessary to determine the results of the election. Tie votes shall be resolved by "chance" at the annual meeting.				
DISCUSSION: Any candidate receiving countable votes (valid ballots per M-06 and Attachments) in an election for the Board of Directors may request a recount. If a recount request is made to the Board of Directors in office on the day of the Annual Meeting, the Board will act outlined in Section 5.03 Elections PROPOSED RECOUNT PROCERDURES. Section 5.03. Elections

(e) The Board of Directors shall resolve any request for a recount of the votes. The Chairperson of the Elections Committee shall resolve any final tie vote necessary to determine the results of the election. Tie votes shall be resolved by "chance" at the annual meeting.

PROPOSED RECOUNT PROCEDURES

Any candidate receiving countable votes (valid ballots per M-06 and Attachments) in an election for the Board of Directors may request a recount. If a recount request is made to the Board of Directors in office on the day of the Annual Meeting, the Board will take the following action:

- 1. A request for a recount must be received in writing from the Board Candidate prior to the Annual Meeting of the Association. This request must be provided to the Board President and to the Elections Committee chairperson.
- A Director, currently completing their first term and a candidate for reelection will recluse recuse themselves from any discussion, process and procedures related to the conductance conduct of a recount. The Director who is a candidate for reelection may request the Board to authorize a recount.
- 3. The Board will request the Elections Committee chairperson to conduct a recount of the valid ballots cast for the election.
- 4. The Elections Committee chairperson will schedule an Elections Committee meeting, including the election committee members, Seantron—contractor operating the scanner operator and Association staff as needed. This meeting will be on the day of the Annual Meeting or as soon as possible following the Annual Meeting.
- 5. The recount will be completed in an open session that any Association member can attend in a manner like that specified in M-06 and Attachments.
- The results of the recount will be communicated to the Association President and posted immediately after completion of the recount in the Administration Building of the Association.

- 7. The Board will hold a Special Meeting no sooner than 3 days after the completion of the recount, but as soon as possible.
- 8. The Election Committee Chairperson or their designee will attend the Special Board Meeting and present the results of the recount for acceptance/validation by the Board on behalf of the Association.
- 9. The Election results will then be final and the winning candidates will begin the process of joining the Board.

OCEAN PINES ASSOCIATION, INC. PROPOSED MOTION

TOPIC: Approval for Voting Contractor FOR INCLUSION IN MEETING HELD ON: 5/20/2023 SUBMITTED BY: Rick Farr SECOND BY:					
MOTION: To approve cost of \$15,994.50 for sourcing a voting contractor (Election Trust) to perform the printing and handling of ALL election materials for the 2023 board of directors' election.					
PURPOSE AND EFFECT: To allow the Election Committee (and OPA) to enter into an agreement with Election Trust (single point of contact) to conduct and perform all printing, mailing, receipt and counting of all votes for the upcoming 2023 OPA Board of Directors election.					
BACKGROUND: It is the responsibility of the Election Committee to source a contractor to perform the handling of the election materials for the upcoming election. The board approved the 2023 election will be conducted with paper ballots. The Election Committee conducted a search for a national company to perform a full array of election services to include end to end verifiable election by paper ballots. As an option, Election Trust can provide a Hybrid Balloting Platform (Optional Vote-By-Mail & Online) voting. The hosted clear ballot platform will ballot design, tabulate, audit scan & archive (federally certified system). The option of a hybrid ballot platform as well as a live observation (via Zoom), counting and report of ALL the ballots is included in the pricing.

ELECTION COMMITTEE (EC) REQUEST FOR CONTRACTOR APPROVAL

Through: OPA VP Rick Farr, EC Board Liaison

To: John Viola, General Manager

Subject: Approval of Voting Contractor

Sourcing a contractor to perform the printing, mailing and handling of election materials is the responsibility of the EC. Prior to the 2022 election (and for years), a contract was awarded to Ace Printing and Mailing a local contractor in Berlin, MD. For the 2022 election, the Board approved a hybrid voting approach - Ace Printing was awarded a contract to print, mail, handle election materials, and additionally, exchange electronic reports with VoteHOA NOW, the company contracted to perform the online voting function.

Ace Printing and Mailing declined to bid on services for the 2023 BOD election, therefore, the EC conducted research to find a national company to perform the full array of election services. After researching five and disregarding three "online only" voting companies, we recommend awarding a contract to Election Trust, who will perform printing, mailing, receipt and counting of the paper ballots. Not only do we find Election Trust to be the best value, but they also offer an "Observable Live Count" option. Also, there will be no back-and-forth electronic exchange of election data as was done in 2022 and OPA will no longer have to procure software or equipment for ballot counting purposes. Attached you will find two proposals along with a spreadsheet comparing vendor costs.

Finally, and based on our stated goal to reestablish online voting in 2024, we asked each company to also include costs to conduct a 2023 hybrid election, which would include an envelope with paper ballot and return envelope to each individual lot owner, with additional instructions to vote online. These optional costs are also included in their proposals. The decision to conduct a hybrid election in 2023 rests with the Board.

On behalf of the Elections Committee:

Thomas A Platti

Elections Committee Chairperson

Introduction

Election Trust (ET) understands that the **Ocean Pines Association** (OPA) is seeking the most qualified *3rd Party Authority* capable of delivering balloting services in support of their **2023 Annual Meeting.** ET is confident the following Request for Proposal response would illustrate why it is the firm uniquely qualified to meet and exceed OPA's expectations for the delivery of these balloting services.

Company Profile & Services

Since 2003 Election Trust has provided complete Third-Party Authority election management services to private and public-sector Clients. These election services are delivered utilizing 'Best of Breed' remote and on-site balloting technology, including the Federally Certified Clear Ballot™ digital paper ballot scanning platform and an End-to-End Verifiable online balloting platform, Powered by Votegrity™. Election Trust carries \$1,000,000 in Commercial Errors & Omissions insurance.

Given the opportunity to provide the Third-party administration for the OPA, Election Trust will deliver those services under the direction of:

John Bodin/General Manager

Over more than 20 years, John Bodin has administered nearly 500 balloting events, including a presidential party primary, a congressionally mandated industry 'check-off' referendum, Olympic Committee voting and numerous sovereign tribal elections. He has extensive experience in delivering 'hybrid' balloting services in support of hundreds of Annual Meeting elections for property owner, affinity, service and professional associations across the United States. John, as the lead Account Executive, would be 'buck stops here' responsible for the satisfactory delivery of end-to-end election services to the Ocean Pines Association.

Tim Manion/Chief Operations Officer

Over his 30+ year career in operational and program management, Tim has focused on the development and practical administration of innovative and reliable election solutions to a wide variety of customers since 2001. That veteran experience includes leading engineering, customer development, and operational teams in the delivery of election technology in support of hundreds of elections across the United States and Internationally for such companies as VoteHere, Democracy Live and now with Votegrity, in that company's strategic partnership with Election Trust.

Company Platforms

Standard Operating Procedures

Strict adherence to established procedures and protocol, all defined by the context of each balloting event, is at the heart of every well-run election. To that end Election Trust employs an event-tested *Standard Operating Procedures* (SOP) approach to the production, testing and implementation of each election it administers.

Election Trust's SOP practices are conducted through daily status meetings, weekly status reports, and formal project reviews with all required parties involved but ultimately a client Single-Point-of-Contact. An election Scope of Work plan serves as the key reference document for articulating deliverables, tracking the project's ongoing status, identifying real project risk and combating potential project failure. With regards to proprietary client data (such as membership lists, membership numbers, any provided client-side documentation, etc.), Election Trust deploys end-to-end password protection for such files with no proprietary information (except electronic voting credentials) residing on any internet-facing servers.

Vote-by-Mail (VBM) Balloting

In executing VBM balloting events, ET utilizes the same administrative template employed for government voting including: 1) flexible, 'postage-friendly' ballot packet design; 2) high-speed digital pre-press and printing capability; 3) CASS-certified mail management; 4) a fully proprietary Mail-In Ballot Tracker™ Bar Code ballot inventory, audit and canvass system.

A certified **Clear Ballot**TM partner, ET deploys **Clear Count**TM to digitally scan all <u>incoming</u> (by-mail) paper ballots. This 21st Century tabulation and inventory system digitally sorts and catalogs all scanned ballots to allow its patented visual reporting tools to generate sort- able contest, batch, and precinct reports.

On-line Balloting Platform

ET's remote electronic voting platform is *Powered by Votegrity*. The Votegrity Platform™ is designed from the ground up to ensure both voting privacy and ballot integrity and is hosted on Microsoft Azure, one of the most trusted and secure names in the cloud.

To ensure privacy for the voter while casting her ballot, the Votegrity Platform utilizes Secure Socket Layer (SSL) protocol to transmit data between her voting device and ET's secure voting server. Specifically, all her ballot data is strongly encrypted at the voter's device before sending. Importantly, once the ballot leaves the voter, it is not decrypted until it is an aggregate of the final election tally — this ensures no one except the voter knows how she voted.

Crucial to the integrity of her cast-ballot is **Helios**, the *Open-Source* core of the Votegrity Platform. Built by one of the leading election security cryptographers and used by millions of voters, Helios allows any voter the opportunity to check that her ballot was counted just the way she cast it. Also known as *End-to-End Verifiability*, this feature of the Votegrity Platform means – as is not the case with most other systems – the voter is not left to 'hope' her ballot made to the server and was counted correctly...or otherwise tampered with. She has a guarantee her ballot was, in fact, counted-as-cast.

Election Services Scope of Work & Terms

Balloting Platform: Hybrid

- Election would enfranchise approximately 7,800 eligible voting members by secured and auditable Hybrid Ballot (Optional Vote-By-Mail & Online) voting over a 30-day period.
- 2. No later than June 15, 2023, the Association would:
 - a. Establish a Single-Point-of-Contact (Contact) to work with ET on all Election administration, including ballot content proofing, voter eligibility issues, and replacement ballot Issuance, etc.
 - b. Provide ET with an Eligible Voter List (Comma-delimited Excel file, approx. 7,800) by full name and physical mail (USPS) address for each eligible voter that is qualified to vote a ballot. NOTE: If available, also provide ET with one (1) working email address for each eligible voter.
 - c. Provide ET with an <u>In-Eligible Voter List</u> (Comma-delimited Excel file, approx. 700) by full name and physical mail (USPS) address for each voter that is not qualified to vote a ballot.
 - d. Provide all Election Ballot Content, including WORD (text) and JPEG (photos) files.
- 3. On July 12, 2023, ET would design, print and mail (1st Class/Pre-Sort) to each eligible voter an Outgoing Hybrid Balloting Packet, including:
 - a. One #10 Window Delivery Envelope
 - b. One #9 Business-Reply Ballot Return Envelope w/ Voter Hybrid Validation PIN
 - c. One Clear Ballot™ (8.5" x 11" 1-Sided)
 - d. One Voter Guide (8.5" x 11" 4-Sided) w/ Hybrid (Option) Voting Instructions
- 4. On July 11, 2023, ET would design, print and mail (1st Class/Pre-Sort) to each <u>in-eligible</u> voter an **Outgoing Letter Packet**, including:
 - a. One #10 Window Delivery Envelope
 - b. One Voting Ineligibility Letter (8.5" x 11" 1-Sided)
- 5. Paper mail-in ballots returned by voters would be received at ET's secure **USPS PO Box** in Seattle, WA. Online voted ballots would be received on ET's secure Azure based **Votegrity Platform™**. Both voting channels would close off ballot receipt On *Close of Business* on August 9, 2023.

VBM NOTE: During the Voting Window ET will bar-code scan for 'household audit credit' all incoming ballot envelopes upon receipt and regularly report this data to the Contact via email. In addition, all 'undeliverable' outgoing Ballot Packets returned to ET will be reported to the Contact. Given a corrected mailing address, ET will mail a **Replacement Ballot** up until a re-mailing 'Cut-off' date of May 25, 2023.

VBI NOTE: Given OP can provide ET with one (1) working email address for any of its eligible voters, during the Voting Window ET will periodically send up to three (3) **Get-Out-the-Vote** (GOTV) email 'blasts' to those eligible voters who have not submitted a paper or electronic ballot. These emails will contain that voter's PIN and a voting link and can be scheduled 'on the fly' to maximize voter turn-out.

- 6. On August 10, 2023 (Time TBD) ET can host, at its Bainbridge Island offices, an Observable VBM Count (Via Zoom), including ballot extraction, count, adjudication, and Final Certified Results reporting. Once ET has reported Hybrid Final Results, all Election Collateral, including ballots, return envelopes and reports, will be shipped to the attention of the Contact for Association archiving.
- During the Election, ET would staff a Voter Help Desk (email) between 9am- 8pm (ET) Monday through Friday. ET would also archive all election data and collateral for a period of six months.

RESOLUTION B-02

RULES OF ORDER FOR MEETINGS OF THE BOARD OF DIRECTORS

- 1. <u>Purpose</u>, This Resolution supplements Robert's Rules of Order for the conduct of meetings of the Board of Directors of the Ocean Pines Association, Inc.
- 2. <u>Authority</u>. Section 5.15 of the By-laws of the Ocean Pines Association, Inc. provides that Robert's Rules of Order shall be used to regulate and govern all meetings of the Board of Directors, to the extent they are not inconsistent with the By-laws or Resolutions.
- 3. <u>The Chairperson</u>. The Chairperson shall be the President of the Association. In the event the President is unavailable or unwilling to serve or discharge these duties the Vice President or a Director selected by a majority of the remaining Directors shall act as chairperson. The Chairperson shall:
 - a. preside at every meeting of the Board, call the meeting to order at the appointed time, and determine the presence of a quorum;
 - b. preserve order and decorum and, in case of disturbance or disorderly conduct by either members of the Board or other attendees, shall take such action as is necessary to restore order; and
 - c. decide points of order. The Chairperson may consult the parliamentarian but all points of order shall be decided by the Chairperson.

4. General Rules

- a. <u>Decorum and Courtesy</u>. Board members and attendees shall behave in a courteous and dignified manner during Board meetings. Board members unable to remain until the meeting is adjourned shall inform the Chairperson of their anticipated departure time at the beginning of the meeting.
- b. <u>Authorized Attendees</u>. Any member of the Association and their agents may attend any open Board meeting. Executive or supervisory employees of the Association and members of the press may also attend unless specifically excluded by a majority vote of the Board members present. Other persons designated by the Board of Directors may be permitted to attend and participate in any open Board meeting.

c. Public Comments

(1) Eligibility. Any member who desires to address the meeting during Public Comments shall be recognized. Members must attend the meeting

in person to make a public comment. When beginning comments, members shall state their name and address.

- (2) <u>Time Limit and Decorum.</u> Unless otherwise agreed to by the Board, members shall limit their comments to no more than five (5) minutes. Public comments shall be addressed to the Board, delivered courteously, and be pertinent to Ocean Pines Association related issues. At a special meeting of the Board, comments shall be limited to items on the agenda for that meeting. Negative personal comments about or directed to any Board member or member of the Association shall be ruled out of order. If the discourteous comments continue, the member will be asked to leave the meeting by the Chairperson.
- d. Voting. Voting may be by as designated by the Chairperson.

DATE: 5/12/23 TOPIC: Revisions to Resolution B FOR INCLUSION IN MEETING HELD SUBMITTED BY: Steve Jacobs					
	MOTION: To approve revisions to Resolution B-03, addressing procedures for virtual and/or hybrid meetings (in-person and virtual or electronic meetings).				
	PURPOSE AND EFFECT: The proposed changes to Resolution B-03 addresses the requirements as well as the participation for Association members who attend virtually (or electronically).				
BACKGROUND: This revision to B-03 was recommended by the Bylaws and Resolutions Committee by way of a Charging Document at the March, 2023 Board meeting. The first reading of these proposed changes took place at the April, 2023 Board meeting. While this matter had been previously discussed and considered by the prior Board in 2022, there was no further action. This revision to Resolution B-03 requires that the General Manager report to the Board that the capability exists for only qualified members attending virtually to be counted toward a quorum, to vote and to fully participate in the meeting.					
DISCUSSION: After reviewing the discussions of the prior Board on this subject, the Bylaws and Resolutions Committee believes that these suggested changes allow for virtual participation by Association members after ensuring that sufficient safeguards exist for assuring the presence of a quorum, voting and full participation by only qualified Association members.

 - iii. Members who are not present at the meeting may:

1. Vote by electronic transmission or

2. Vote by proxy in accordance with the requirements of the Bylaws and Act; and be considered present for quorum purposes through their proxy.

- iv. The President my set a reasonable deadline for return of a ballot to the Association, including return by electronic transmission, but the deadline for return of the ballot shall be not later than 24 hours after the conclusion of the meeting.
- 4. The Presiding Officer. The Presiding Officer shall be the President of the Association. In the event the President is unavailable or unwilling to serve or discharge these duties, the Vice President or a Director selected by a majority of the remaining Directors shall act as chairperson. The Presiding Officer shall:
 - a. take the chair at every meeting of the members at the appointed time and call the meeting to order;
 - b. appoint a qualified person to act as recorder under the direction of the Secretary, appoint a qualified person to act as parliamentarian, and appoint a qualified person to act as timekeeper;
 - preserve order and decorum and, in case of disturbance or disorderly conduct, take such action as is necessary to restore order;
 - d. determine the method of voting to be used, in accordance with Section 3.05of the Bylaws; and
 - e. decide points of order. The Presiding Officer may consult the parliamentarian but all points of order shall be decided by the Presiding Officer.

5. General Rules.

- a. <u>Points of Order.</u> The Presiding Officer's decision on a point of order shall be final unless overruled by a majority vote of the voting members present in person.
- b. <u>Determination of a Quorum.</u> The acceptance of the presence of a quorum of voting members either in person or by proxy shall be determined by a report from the Elections Committee.

c. Decorum and Debate.

- (1) <u>Eligibility.</u> Association members or their agents shall be permitted the use and privilege of the floor. All others must be recognized by the Presiding Officer or obtain permission by a majority vote of the members present in person.
- (2) <u>Procedure.</u> A member or member's agent desiring to address the meeting or make any motion shall rise and, on being recognized, proceed to the podium or a microphone and give his or her name and address. Agents shall identify themselves and state the name and address of the member they represent.

Comments shall be delivered courteously. Negative personal comments about or directed to another person shall be ruled out of order.

- (3) <u>Time limits.</u> Unless otherwise agreed to by the members present, no member may speak longer than five (5) minutes at a time or more than twice on the same question. No member may speak a second time on the same question as long as another member who has not spoken desires the floor, unless he be the mover, proposer or introducer of the matter pending, in which case he shall be permitted to speak in reply to all questions directed through the Presiding Officer.
- (4) <u>Voting.</u> Voting on substantive issues shall be by proxy and by use of voting cards. Proxy voting shall be cast at the direction of the Presiding Officer but only on those issues qualifying under and in accordance with the provisions of the Bylaws.
- d. Motions. The following rules apply to all substantive motions.
 - (1) <u>Writing.</u> Every substantive motion shall be reduced to writing and shall be entered in the minutes with the name of the member making it.
 - (2) Reading and Seconding. When a motion has been made, the Presiding Officer shall cause it to be read aloud before being debated. A motion shall require a second before it is debated, and if the motion receives no second, the motion fails.
 - (3) <u>Amendments.</u> No motion on a subject different from that under consideration shall be admitted as an amendment. When a motion is under consideration, a motion to amend and a motion to amend that amendment shall be in order. It shall also be in order to offer a further amendment by the way of substitute, to which one amendment may be offered.
 - (4) <u>Calling the Question.</u> When it appears no additional comments on an issue are forthcoming, the Presiding Officer shall call the question. In addition, there may be a motion to vote on the previous question, which, being ordered by a two-thirds (2/3) affirmative vote of the members voting in person, shall terminate all debate and bring the body to direct vote upon the immediate question or questions on which it has been asked and ordered. All incidental questions of order arising after a motion is made for the previous question, and pending such motion, shall be decided, whether on appeal or otherwise, without debate.

BACKGROUND: This revision to B-05 was recommended by the Bylaws and Resolutions Committee and had its first reading at the April 15, 2023 Board meeting. The suggested changes to B-05 were referred to Counsel for review and editing. The attached version of B-05 includes those suggested changes (in red).				
DISCUSSION: The changes in the attached version of B-05 include the appropriate citations to the Charter of the Association and its Bylaws. It also states what constitutes a conflict of interest as found in Section 3(a). After consultation with Counsel, the suggested language in Section 3(b), "Confidential Information" which appears in red, is inappropriate considering the subject matter of this Resolution. An amendment will be offered to strike this language.

RESOLUTION B-05

CONFLICTS OF INTEREST

- 1. <u>Purpose</u>. This Resolution provides policy regarding conflicts of interest for members of the Board of Directors, officers, employees, and committee members of the Ocean Pines Association, Inc. ("Association").
- 2. <u>Authority.</u> Article <u>TENTH-NINTH</u> of the Charter of the Association requires Directors and officers to disclose a financial or other interest in contracts or transactions of the Association. Article <u>THIRD-SEVENTH</u> of the Charter authorizes the Board of Directors to establish committees and appoint the members of those committees. <u>Article V. Section 5.14(d)</u> of the By-laws of the Association authorizes the Board of Directors to establish conditions of employment for all employees of the Association.

3. Policy.

a. Conflict of Interest. No Director, officer, employee, or committee member of the Association shall recommend a course of action or make a decision on behalf of the Association with respect to any matter in which he has, or hopes to have, a direct or indirect financial interest or in which a family member or employer (other than the Association) has, or hopes to have, a financial interest. No Director, officer, employee or committee member of the Association shall knowingly misrepresent facts in order to achieve any measure of personal gain in any matter for themselves or any affiliated company from which he or his family member may benefit. All decisions must be made with the best interest of the Association in mind.

This policy shall not prohibit the furnishing of unbiased factual information for recommendation or action by others. Directors, officers, employees, and committee members shall be alert to, and sensitive to, any appearance of a conflict of interest and shall avoid such appearances.

- b. <u>Confidential Information</u>. No Director, officer, employee, or committee member shall use confidential information received in the course of his Association duties to benefit any person, company, corporation, or proprietorship. <u>No Director, officer, employee or committee member shall disclose confidential Association business or information outside of the Board of Directors without the prior approval of the Board of Directors or except as otherwise permitted or necessary in working with the Association's legal counsel.</u>
- c. <u>Gifts and Gratuities.</u> No Director, officer, employee, or committee member shall accept gifts or gratuities from a corporation, company, proprietorship, or person seeking or doing business with the Association. Exceptions: meals of nominal value during the course of meetings at which Association business is discussed or gifts which are clearly based on relationships not related to the Association such as family or long standing social relationships.

4. Definitions.

- **a.** <u>Matter.</u> Matter includes, but is not limited to, a purchase, a contract, any action (such as a resolution or approval of a contract or purchase), a personnel action or disposal of Association assets.
- **b.** <u>Financial Interest.</u> Financial Interest includes, but is not limited to, a partial or total ownership of a company, partnership, or proprietorship involved in a matter, or potentially involved in a matter, either as the prime participant or as a subcontractor or supplier. It also includes a fee, wage, or salary relationship with the prime participant, subcontractor, or supplier whether or not the fee, wage, or salary is directly related to the matter. Financial interest does not include ownership of, or control over, publicly traded securities in which the number of securities held is insufficient to influence the decisions of the issuer.
- **c.** <u>Family Member.</u> A spouse, father, mother, brother, sister, son, daughter, father-in-law, mother-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law or grandchild who has a Financial Interest as defined in paragraph 4.b and the interest is known by the Director, committee member, officer, or employee.
- **d.** <u>Employer.</u> A company, partnership, proprietorship, or individual which furnishes compensation to or which is discussing or negotiating future compensation with a Director, officer, employee, or committee member of the Association whether or not the compensation is related to the matter.
- **5.** Notification. In any situation where any appearance of a conflict of interest could exist, i.e., when a Director, his company, his family member, or friend would be benefited by a decision of the Board of Directors, the conflicted Director must fully disclose the nature of the conflict in writing to the Board of Directors at the earliest opportunity. Any self-dealings or dealings with related parties must be fully disclosed to the Board of Directors. All contracts or decisions in which a Director has a conflict of interest must be approved by the majority of the remaining Directors and must be fair and reasonable to the Association.

Any Director, officer, or committee member of the Association who has or may have a conflict of interest or who has or may have the appearance of a conflict of interest shall notify the Board of Directors and shall refrain from making recommendations or taking action with respect to the matter. Any employee who has or may have a conflict of interest or the appearance of a conflict of interest shall notify the General Manager through normal reporting channels and shall refrain from making recommendations or taking action with respect to the matter.

6. <u>Remedies.</u> Any Director, officer, employee, or committee member of the Association may be removed from his position for violation of this policy.

RESOLUTION B-06

INDEMNIFICATION POLICY

- 1. <u>Purpose</u>. This Resolution states the policy whereby the Ocean Pines Association, Inc. indemnifies <u>current and past</u> volunteers, employees, and agents who provide services or perform functions on behalf of the Association. While acting on behalf of the Association, these individuals may become subject to claims by third parties seeking to hold them liable for such activities. If they are held liable, it is in the Association's best interest to indemnify them if they were acting <u>in good faith and</u> within the authorized scope of employment, and to indemnify them for their reasonable expenses in defending such claims, to the extent permitted by law.
- 2. <u>Authority.</u> Article <u>EIGHTH</u> <u>SEVENTH</u> of the Charter states the Association may indemnify a representative of the Association, in addition to Directors and officers, in connection with a proceeding to the fullest extent of Section 2-418 of the Corporations and Associations Article of the Annotated Code of Maryland.
- 3. <u>Conditions of Indemnification</u>. Indemnification <u>shall-may</u> be given only to those persons who are acting <u>in good faith and</u> within the scope of their designated authority and shall not extend to those persons who exceed the scope of the designated authority or who act outside the authority granted by the Association, <u>who act in bad faith</u>, <u>or who act with active and deliberate dishonesty</u>.
- 4. <u>Indemnification of Volunteers.</u> In the event persons not employed by the Association act as volunteers for official functions of the Association and are acting upon the request of the Association, they <u>shall_may</u> be indemnified and held harmless by the Association for all activities, actions, and other matters performed within the scope of the requested activity.
- 5. <u>Indemnification of Employees and Agents.</u> Employees and agents of the Association who are acting within the scope of their delegated authority <u>shall may</u> be indemnified and held harmless by the Association for all actions performed within the scope of their employment or agency.
- 6. <u>Approval of Indemnification.</u> Indemnification shall be made only for specific proceedings and after a determination that it is permissible under the law. Indemnification shall be approved in accordance with Section 2-418 of the Corporations and Associations Article of the Annotated Code of Maryland and Article EIGHTH of the Charter.

	Background : Review Resolution M-07, Bulkhead and Waterway Maintenance and enact any changes it deems necessary. This resolution was discussed at the March, 23, 2022 Board meeting however, it appears that no further action has been taken.
	Discussion: While it would be timely to review the entirety of Resolution M-07, the Bylaws and Resolutions Committee calls the Boards attention to Section 4(a) Canal Depth. It is possible that any change to canal depth requirements would entail discussions with and perhaps approvals from the appropriate State and Federal agencies. The Bylaws and Resolutions Committee is not recommending any changes to M-07.
