

Minutes from Ocean Pines Communications Virtual Meeting

October 19, 2023

In Attendance:

Cheryl Jacobs
Debbie Bennington
Linda Yurche
Marlene Ott
Carrie Morrison
Patty Seidl

Linda made a motion to accept the minutes from our last meeting held on September 21, 2023 and it was seconded by Carrie; all in favor.

Old Business

Drone Videos

Marlene has left messages and emails for Ricky but no response. Previous videos from Ricky were missing the Beach Club and Golf Course but Marlene will check with him to see what is available. Marlene could approach her photographer to see if she would be able to do it at no cost and Patty agreed to canvas the Innerlinks Community to see if anyone is available.

Electronic Signage

Liaison, Elaine, is very interested in helping us with this initiative and has informed the Board with another picture and they seemed surprised. It will be going before the Board for discussion. John is very much in favor and Cheryl put Elaine in touch with Gary Spence of Phillips Signs going forward. Optimistic at this point.

New Business

Linda and Diana are our representative for the OP Day Project to be held April 2024. The goal is for the group to come back for the January Board meeting with their proposal to include budget numbers, sponsorship, volunteers and more detail.

The next meeting of the OP Day working group is next Thursday @ 9 a.m. at the Golf Club House and they need more volunteers. Debbie Bennington who was very instrumental, along with Debbie Donohue, in organizing the kick off event for our 50th Anniversary celebration has agreed to help also.
